

MY NEW
ALBUM, 'TITLE
HERE' WILL BE
AVAILABLE ON
'DATE.'

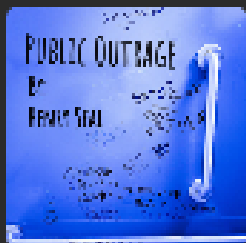

PRESAVE HERE

I'm not trying to be a rockstar or become famous.
I'm here for the music, craft, and creative process.

It's like therapy for me. This is where I'll post my work and have updates about upcoming projects. I appreciate your support and hope you find something you like. If not, that's okay too. Maybe it's a call to action for you to create something new...

Header animation -
I have no attachemnt to how this appears when scrolling, however, I think it would be cool to have it continue to play behind content with a gaussian blur effect.

Presave button, disregard if you don't plan to have presave available. Or use the button to link somewhere else (spotify page, etc.)

GENERAL ANIMATION NOTE:
Have things ease in as you scroll, I'll leave that up tp you/your abilities for how intense/obvious that can be but a little something visually appealing
